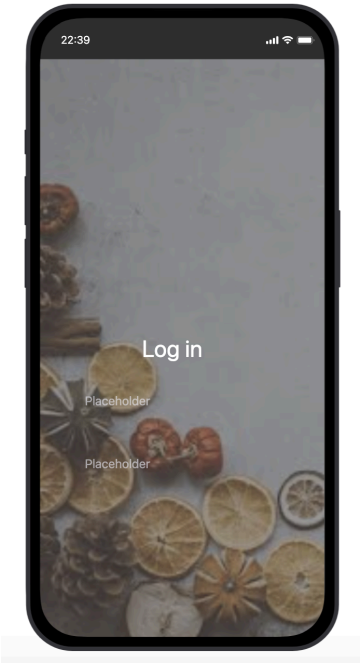
EXPERIMENT 4

ROLL NO: 240701492 NAME: SHASMEEN SYED

Create a prototype with familiar and unfamiliar navigation elements. Evaluate ease of use with different user groups using proto.io

Screen 1:

Sign In page for the destination app



Screen 2:

Home page:

Familiar Icons:

1. **Hamburger Menu (☰) - Top Left:**
    - A common icon representing a collapsible navigation menu.
    - Clicking it usually opens a sidebar with options like Home, Settings, and Profile.
2. **Search Icon -Below the Heading:**
    - A widely recognized icon used for searching within the app.
    - Clicking it typically opens a search bar where users can type queries.
3. **Location Icon**
    - Represents the location of the user

- Used to know delivery location and tracking of order, time taken to reach.

Possibly Unfamiliar Icons:

1. **Explore Button:**
    - This is not an icon but a button that might lead to more details or booking options for the resort.
    - It's not common in food apps

Screen3:

Home page:

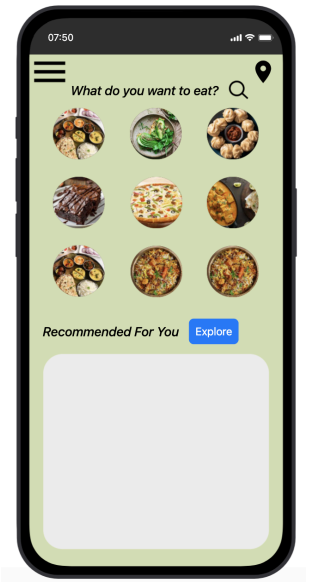
Familiar Icons

- **Hamburger Menu-** Opens the main navigation drawer.
- **Search** – Lets users search for any dish or restaurant.
- **Location Pin** Shows or updates the user's current location.
- **Back Arrow** – Returns to the previous screen.
- **Star** – Shows ratings or top-rated items.

Unfamiliar / App-Specific Icons

- **Food Category Images (Round Food Icons)** – Visual shortcuts for choosing food categories (e.g., thali, salad, momos, brownie, pizza, dosa, biryani), not standard icons but used as tappable category buttons.

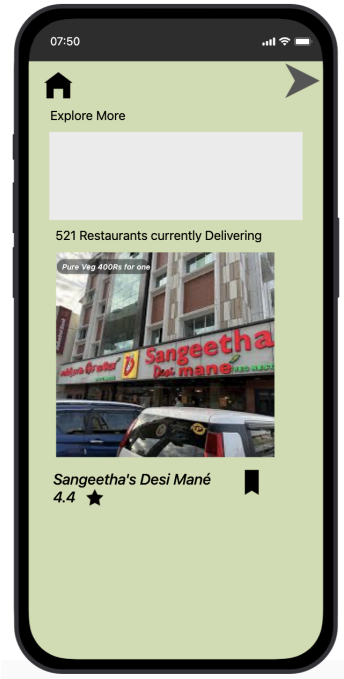
- **Explore Button** – A custom action button that opens personalized recommendations.



Screen4:

Explore and Restaurants page:

Familiar Icons:



Home Icon

- Takes the user back to the homepage.

Star Icon

- Shows the restaurant’s rating.

Bookmark Icon

- Lets the user save the restaurant to favourites.

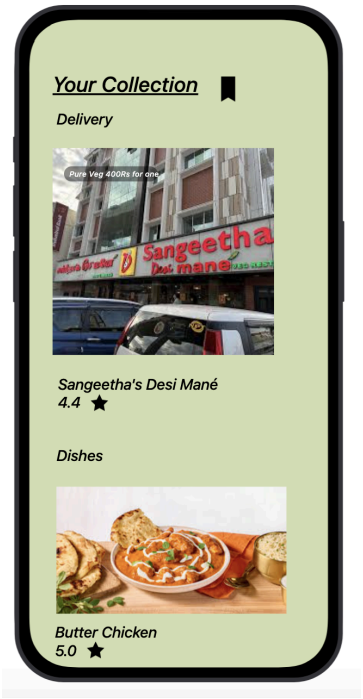
Unfamiliar Icon

Forward Arrow Icon (custom angular arrow)

- Navigates forward using a unique arrow style not commonly used in apps.

Screen 5:

Collection Page:



Familiar Icons:

Star Icon

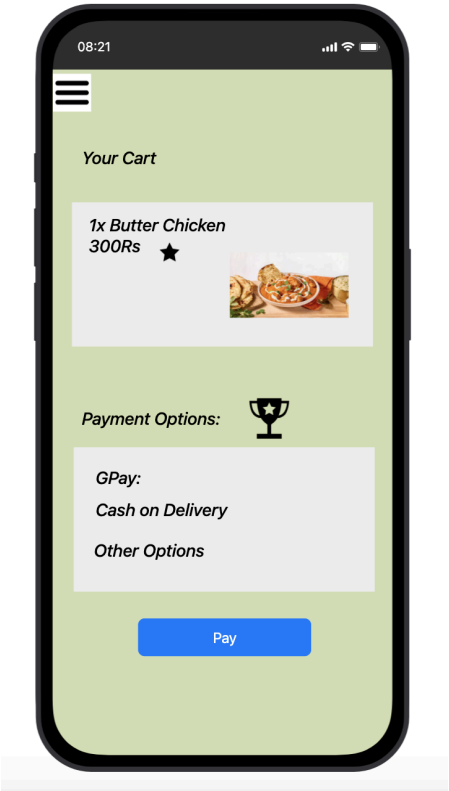
- Shows the restaurant’s rating.

Bookmark Icon

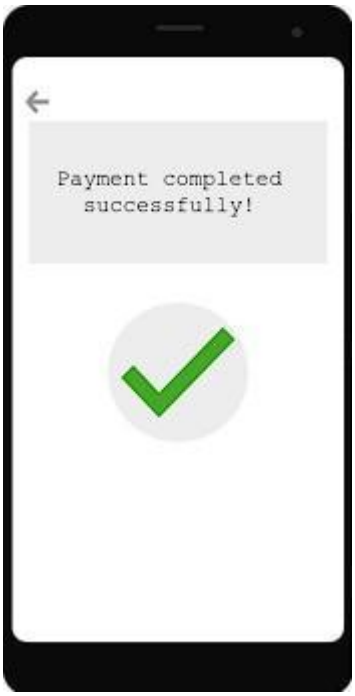
- Lets the user save the restaurant to favourites

Screen 8:

Confirmation page:



Familiar Icons:

1. **Back Arrow (←) - Top Left Corner:**
    - A common navigation icon used in almost all mobile apps.
    - Clicking it will take the user back to the previous screen.
2. **Star Icon (⭐) - Rating Indicator:**
    - Represents the rating of the resort (4.5 stars).
    - A familiar UI element used in travel, e-commerce, and review-based apps.
3. **Payment Button ("Pay") - Bottom Center:**
    - A standard call-to-action (CTA) button used for confirming transactions.
    - Clicking it will likely redirect the user to a payment gateway.


Screen 9: Payment Confirmation page
